Orange County Technology Services Provider Participates in Second Annual Fundraising Walk as Part of its 10 Months of Thanks Initiative

ORANGE COUNTY, Calif. – On April 21, as part of its 10 Months of Thanks initiative, the Tekcetera, Inc. team put on their walking shoes to give back by participating in the Make-A-Wish Foundation of Orange County and the Inland Empire’s second annual Walk for Wishes. Known for its dedication to doing what it takes to provide comprehensive and cost-effective technology services to businesses small and large, Tekcetera launched its 10 Months of Thanks initiative as a way to say thank you and give back to the Orange County community that has supported it for the last decade. Throughout the next seven months, the Tekcetera team will be found supporting veterans, offering free computer training workshops, participating in beach clean-up efforts, sending care packages to military troops and much more.

“Our team had a phenomenal time at the walk,” said John S. Pitts, founder and president, Tekcetera, Inc. “It was incredibly rewarding to give back to such a wonderful organization like the Make-A-Wish Foundation and know that the funds raised from the event are going to be used to assist in granting wishes to deserving children. We were incredibly honored to be a part of the Walk for Wishes event.”

The second annual Walk for Wishes, which was held at the Orange County Great Park in Irvine, saw more than 1,400 participants and 80 teams come out to brave the heat and raise both awareness and donations for the Make-A-Wish Foundation of Orange County and the Inland Empire. The event, which counted Grainger® as the presenting sponsor, raised more than \$190,000, surpassing the inaugural year’s walk by more than \$75,000.

For the last decade, Tekcetera, Inc. has provided reliable, cost-effective infrastructure solutions, cloud services, managed IT services, Microsoft specialty consulting, Avaya and Cisco telecommunications, web design, ecommerce solutions, and more to businesses throughout Orange County. The Santa Ana-based technology company is celebrating its 10-year milestone anniversary by giving thanks. The company’s 10 Months of Thanks initiative will culminate at a hosted reception during the month of November, appropriately around the Thanksgiving holiday.
